Amira's French Conversation Groups : The Levels

The «Step-by-Step» Objectives for Your French Course

Beginners (European Reference Level A1)

1A: Survival French: introductions, numbers, shopping, directions, metro, pub small talk, restaurant, hairdresser.

1B: Have everyday conversations: neighbour, town hall, bank, market, post office, teachers, clothes, landlord.

Intermediate (A2)

2A: Express your personality to friends. Talk about you, your work, your leisure and projects. Make dates.

2B: Using French creatively, consolidate the basic structural knowledge necessary to have a conversation.

Higher - Advanced (B1 - B2)

2C: French Conversation. Take firm control of your life in French, for example, at the garage, or on the phone, or in a dispute.

3A: Evolve in the French environment. Join in and contribute your views in fast-paced group conversations. Write letters and become sure of the basics.

3B / 4A: Practical fluency. You'll practise advanced grammar like the «subjunctif» and argue for ideas in complex, professional discussions. French TV will become natural to you.

Proficiency (C1 - C2)

4B / 5A: Independence. It's a question of style. You'll develop a precise expression with freedom from, «Please correct my text».

5B / 5B+: Mastery, the path of perfection and taste, at ease with both great literature and specialised subjects.
